Das neue Fliesenprofile-Prospekt von Küberit®
finden Sie auf unserer Produktplattform!
The new ceramic tile profiles brochure from
Küberit® can be found on our product platform!

Technical drawing of a corner bracket. The drawing shows a 3D perspective of a bracket with a curved top surface. Dimensions are indicated: a vertical height of 30, a horizontal width of 30, a curved radius of 12.5, and a small gap or thickness of 3-5.

Technical drawing of the base of the support, showing a width of 30 and a height of 3-5.

Technical drawing of a mechanical part, showing a cross-section with dimensions: 11,5, 3,5, and 30.

Technical drawing of a mechanical part with dimensions: 6, 6, 3,4, 21.

Technical drawing of a stepped profile. The profile consists of a vertical section on the left and a horizontal section on the right. The vertical section has a total height of 16,2. The horizontal section has a total width of 16,2. The profile is divided into two parts by a horizontal step. The top part has a height of 8,2 and a width of 8,2. The bottom part has a height of 8,2 and a width of 8,2. The dimensions are indicated by arrows and numbers.

Technical drawing of a stepped profile. The profile has a vertical section of height 7, a horizontal section of width 8,2, and a total width of 9,2. The bottom edge of the horizontal section is serrated. A dimension of 1,5 is shown for the thickness of the material.
